

## Financial Success Kit

The Financial Success Kit that will help you stay on track and guide you in your finances for the rest of your life. The Financial Success Kit is a multi-media program that will teach you all you need to know to live a successful financial life. Included in the program, is a book that will teach you how to understand your expenses and income in a new way. This powerful tool will help guide your budgeting process and show you how you can live within your means and still live the same life you have done in the past.

Specifically you will be able to take control of your debt, plan for college or retirement and find the best mortgage. Included is a powerful two-hour, interactive, on-line financial literacy course that, when completed, provides you with the upper-hand for all your financial situations. We also include a DVD with over 40 segments that deals with the secrets of paying bills, avoiding financial stress and how to save money in literally all aspects of your life. And there is a lot more.

We've designed the kit as a tool to help you now and in the future. **The cost of the kit is \$150.00.**
