Protection Products:

- **Key Ring Protection** – Everyone loses keys, and program members will like the confidentiality of this free service. Key rings are engraved with a unique registration number, thus protecting the owner's privacy. The finder is instructed to drop the keys in any mailbox and they will be returned free of charge.
- **Luggage Protection** – Lost, stolen or misplaced luggage can ruin any trip or holiday. Members who register for Luggage Protection are assured that their luggage, when found, will be returned. The personal luggage protection tag instructs baggage handlers, hotel clerks, taxi drivers, or anyone who finds the luggage to call the Luggage Protection toll-free number. Upon verification of the registered number, the Customer Service Center will make an immediate call to the member informing him/her of the whereabouts of the luggage and how to recover it.
- **Log Benefits** – Your members will get organized and protected by using our family budget, household inventory, asset organizer, medical insurance, safe deposit box and auto emergency logs.

Employment Protection:

- **IUI Insurance** - This insurance will cover three months of payments to you for each of your members if they lose their job involuntarily. The plan included in this program covers payments up to \$400 per month. There is a 30-day waiting period. The plan may be altered by coverage amount, waiting period and duration of monthly payments.

Financial Education

- **iMoney Quest** - A comprehensive interactive, web-based personal financial course designed to teach consumers money management and budgeting concepts necessary to maintain healthy finances.
